1. The employer hereby recognizes the IATSE as the exclusive bargaining representative and agent for all freelance technicians working in and/or hired in and transported from:
 - A. Texas
Employees in the job classifications outlined in the Texas Appendix in connection with live broadcast or recording of sports events within the State of Texas, and for employees residing and permanently domiciled within the State of Texas and hired for work outside the State of Texas.
2. The Recognition in (1.), *immediately above*, is restricted to the Employer and shall not be deemed to extend to any parent, affiliate or subsidiary corporation of the Employer, or to any operations of the Employer outside of those described herein.
3. **Inclusions:** Full inclusions of classifications are listed within the Rate Scales located in the Texas Appendix.
4. **Exclusions:** All other persons and categories not listed in one of the Appendix are excluded. Time Out Coordinators, even where listed in one of the Appendixs, are excluded to the extent that they are mandated or provided by the league/team.
5. This Agreement is intended to cover the employment of the above Employees for professional sporting events and NCAA Division 1 events. If the employer is engaged to crew events other than defined above, the parties shall meet and confer with the designated IATSE International Representative and the appropriate local Business Agent(s) as to the appropriate wages, terms, and conditions for the event in question. The wage scales and working condition provisions of this Agreement shall be minimums and employees shall not be precluded from obtaining better conditions than those outlined in this Agreement. Any employee enjoying such better conditions shall not have their wages or working conditions reduced as a consequence of this Agreement.
6. There is full interchange of duties and cooperation among the crew, and also between the crew and other personnel who are involved in or responsible for the production. Additionally, there shall be no minimum staffing requirements unless otherwise described in the Agreement.

Article II: Union Security and Referral Fee Withholdings

1. Specific to the Jurisdictions of Texas,

1.1 Within thirty (30) calendar days of initial hire of any employee covered by this agreement, Employer shall notify the Union (*via* its relevant Local) of the name, address, social security number, date of hire, classification, dates of employment and gross wages earned by each employee on an ongoing basis.

1.2 Referral Fee Check-Off and Withholding: Employer agrees to deduct Union Referral Fee(s) from all wages earned by Employees covered by this Agreement who execute a valid Referral Fee Check-off/Deduction authorization. The Union shall notify the Employer of the amount to be withheld from the employee's wages, and will maintain a signed Referral Fee Check-off/Deduction authorization form for each employee. The Union will make such authorizations available to the Employer effective with the start date of this Agreement, and thereafter on an annual basis. The Union will also submit to the Employer, on an ongoing basis, a list of all employees who have chosen to withdraw the authorization of said check-off forms. Employer reserves the right to cease the deduction for Union Referral Fee(s) from any employee from whom it receives a signed form withdrawing his or her authorization so long as the Employer notifies the designated Representative of the appropriate Union Local that it has received such notice. Union agrees to hold the Employer harmless for the authorized deduction of any Referral Fee(s).

Article III: No Sub-Contracting

1. The employer may not subcontract with third parties for the performance of work within the scope of this Agreement, unless the Employer determines that insufficient qualified Employees are available in the market or special skills or equipment is needed and cannot be supplied by the Employer. Before subcontracting, the Employer shall give notice to the Union of such intended changes and the opportunity to discuss the situation before implementation.

2. The Employer shall inform the Union of subcontracting needs at least thirty (30) days before implementation or as soon as practicable if changes are to be made with less than thirty (30) days' notice. Prior to implementing substantive changes in past practices with respect to staffing/manning requirements or to subcontracting, the Employer shall give notice of such intended changes and the opportunity to discuss the situation prior to implementation. The requirements of this paragraph are not applicable to subcontracting caused by equipment limitations.

Article IV: Management Rights

The Union recognizes the Employer's inherent and traditional right to manage its business, to direct the work force and to establish and modify the terms and conditions of the employee's employment, except as such right is expressly limited by specific provisions of this Agreement. The exercise of these management rights is vested exclusively with the Employer. All matters not specifically and expressly controlled by language of this Agreement may be administered for

its duration by the Employer in accordance with such policy or procedure as the Employer from time to time may determine.

Specifically, and without limiting the generality of the foregoing, the Employer has the sole exclusive right:

- a. To hire, suspend, transfer, promote, demote and discipline employees and to maintain and improve their discipline and efficiency;
- b. To lay-off, terminate, or otherwise relieve employees from duty;
- c. To eliminate, change, or consolidate jobs;
- d. To install new jobs;
- e. To direct the method and process of doing work, and to introduce new and improved work methods or equipment;
- f. To determine the locations where work is to be performed;
- g. To determine the starting and quitting time, the time for lunch and rest breaks, the number of hours to be worked;
- h. To make and modify rules and regulations that the Employer deems necessary for the conduct of its business and to require their observance.

Article V: Hiring and Hiring Practices

1. **The Referral List:** The locals under this Agreement will maintain and provide the Employer a Referral List of qualified individuals inclusive of the positions for which each is qualified. Inclusion of an individual on the Referral List constitutes a representation by the Union that it has examined the experience and qualifications of that individual, has determined that the person is domiciled within the jurisdiction of the applicable local(s), and is qualified to perform the jobs indicated.

2. To the extent that the Company is in need of people to perform work covered by this Agreement, it will give preference of employment opportunities, provided qualifications as determined by the Company are acceptable, to Employees on the Referral List. When considering whether to engage such Employees, the Company will take into account the following:

- a. Requirements of the position;
- b. Knowledge, skill, expertise and experience of the Employee;
- c. Existence or absence of prior service with the Company and any work record with the Company;
- d. Employee's past and current availability;
- e. Residence of the Employee's and location of the work to be performed; *and*
- f. Preferences and/or recommendations of the director, producer or other Employees.

3. **The Hire List:** The Employer shall maintain their own Hire List based on fair and equitable criteria applied uniformly to each person on the Referral List. The Union recognizes and understands the Employer has sole discretion in hiring decisions based on the criteria outlined in the Section immediately above. The Employer further agrees to convey to the Local's Business Representative the nature of such decision(s). The Employer shall staff all positions unless training arrangements have been made in advance. Preference of employment must be given to

those properly registered for employment on the Employer's Hire List. If no qualified person is available on Employer's Hire List, the Employer shall next evaluate whether a qualified Employee is available on the Referral List.

4. Irregularities and Exceptions: The Employer may hire any person for one (1) workday outside of the Referral List, limited to an aggregate total of ten (10) days of non-Referral List hire (hereinafter "Exceptions") per calendar year. Employer may thereafter instruct the Union to place such person onto the appropriate Referral List if their performance was deemed acceptable by the Employer. Union acknowledges that Employer has the sole discretion to hire any person independent of any criteria detailed in this Section; however, any days worked prior to the Employer giving the appropriate local notice of its intent to place that individual on the Referral List shall count against the aggregate ten (10) Exceptions.

5. For the purpose of evaluating a "new" employee in the market, the Employer may elect to hire the employee for one (1) work day outside of the Hire or Referral List. If the person's work was evaluated as "acceptable" by the Employer, they may be submitted to the Local for placement on the respective Hire and Referral list. Where Employer has provided no less than seven (7) days' notice to Union of its intent to evaluate a "new" employee, the one (1) evaluation day shall not count against the aggregate ten (10) Exceptions.

6. If the Employer determines in its sole discretion, that no qualified person is available on the Referral List, a notice of "Off List Hire" must be submitted to the designated Representative of the appropriate Union local by E-mail upon determination that no such qualified individual is available and prior to such Off List Hire being engaged. The Off List Hire notification shall indicate whether the individual shall be a Local, Nearby, or Distant Hire – per Article (XX) Travel. The Off List Hire shall at all times be subject to all provisions of this Agreement. The additional cost of traveling an employee from outside the market can be grounds for the Employer finding that inclusion on the Hire List or Referral List is not "acceptable." Such Off List / Exhausted List Hires shall not count against the aggregate ten (10) Exceptions.

7. Technicians traveling into the market as Employees of another Region or employer for an "away feed" event shall not count against the aggregate ten (10) Exceptions.

8. Employee Cancellations: If an Employee has been offered an event to work and the Employee confirms such assignment, the Employee may not cancel less than sixty (60) days prior to the event unless a replacement satisfactory to the Employer has been found.

- a. Employee must, at their earliest possible opportunity, notify Employer of their intent to cancel and Employer shall thereafter assist the Employee by providing names and phone numbers of other workers that would be acceptable replacements, but it remains the responsibility of the Employee to find the replacement.
- b. The Employee seeking a replacement must have Employer's prior approval before contacting or confirming the replacement.
- c. If replacement Employees are available, Employer shall not unreasonably deny a substitution or withhold names of acceptable replacement.

-
- d. If the Employer agrees to accept responsibility for a substitution, no further action is needed on behalf of the Employee.

This Section (8) shall not apply to cancellations due to medical or other emergencies. The Union agrees that if an Employee cancels for medical reason or other emergency, it will assist the Employer in obtaining proper verification from the Employee.

Article VI: Discipline and Discharge

1. The Employer maintains the right to make and modify reasonable work and conduct rules and require their observance.
2. Employees may be terminated by the Employer by sending a “Notice of Termination Letter” to the Union for serious or repeated infraction(s) of the Employer’s rules. In addition, Employees may be disciplined, up to and including suspension of duties, wherein the Employer shall send a “Notice of Discipline Letter” to the Union for infraction of the Employer’s rules. Letters to the Union described herein are sent to the Director of Broadcast for the IATSE and the designated Representative of the appropriate Union Local.
3. The Union agrees that the issuance of “Notice of Termination” and “Notice of Discipline” letters is management decision; however, no employee shall be disciplined or discharged without just cause. Before issuance of either letter referred above, management will offer the employee the right to schedule a meeting to discuss job performance concerns. The employee may bring a Union Representative to such meeting.

Article VII: No Discrimination

The Employer and the IATSE agree that in applying the terms of this Agreement there will be no unlawful discrimination based upon race, color, religion, gender, sexual orientation, age, national origin, or other statutorily protected status. The Arbitration provisions of this Agreement shall not apply to this Section if an Employee has recourse via State or Federal agencies of competent jurisdiction.

Article VIII: No Strike No Lock Out

During the term of this Agreement, there shall be no strikes or picketing by the Union or Lockout of Employees by the Employer. It shall be understood by and between both parties to this Agreement that a lawful IATSE picket line, sanctioned by the International President, shall not constitute cause for discipline as defined by this Agreement.

Article IX: Stewards

The demand for arbitration must be made in writing, no later than forty (40) business days after written notice referred to in paragraph A. above. Each party shall bear half the cost of the arbitrator's fees and expenses.
- D. The parties shall first attempt to agree upon an arbitrator. If such agreement is not reached the arbitrator shall be selected from a list obtained from the American Arbitration Association by alternated striking of names with the Union going first.
- E. Processing a claim or discussing its merits shall not be considered a waiver of a defense that the matter is not arbitrable or that it should be denied for reasons which do not go to the merits.
- F. The arbitrator shall have no power to modify, add to, or subtract from the terms of this Agreement, but shall only determine whether the Agreement has been violated in the manner alleged in the grievance, and, if so, what the remedy should be within the meaning of the Agreement.
- G. The Employer is not bound by any past practices or understandings except to the extent such past practices or understandings are specifically stated in this Agreement. Past practice may be used in interpreting or applying an express term of this Agreement, but shall not be used to add or modify the express terms of the Agreement.
- H. The decision of the arbitrator, within the limits indicated above, shall be final and binding upon the grievant and all parties.
- I. The grievance and arbitration procedure is to be the sole and exclusive remedy for any claim breached of this Agreement or any other grievable dispute relating to the employment by the Employer of employees covered by this Agreement.
